New Look for Our Pre-School Room

We are in the process of re-vamping our pre-school equipment. Throughout the next couple of months our pre-school room will undergo lots of fun changes. We'd like to remind everyone that unless children are attending a pre-school class, they are to remain off of all equipment and outside of the white gates. Thank You

Mini-Olympics News

Our next "Mini-Olympics" Expedition is scheduled for Saturday, December 2nd. This year, Hawaiian-2-Go Photography will be taking fun Holiday pictures throughout the day. Be on the lookout within the next few months for the sign ups for both Mini-Olympics and pictures!

Make-Up Policy Changes

We have adjusted our make-up policy to accommodate those who attend more than one class per week. Therefore, anyone who attends class for 2 x per week or more, will be allotted 4 make-up classes per quarter. ******These make-up classes cannot be used for the substitution of monthly payments.*****
