RE: Update on Building Status

To All of our Hawaiian Island Twisters Families,

GREAT NEWS - HITS has been granted a small extension of time at our current location so that we can complete our current session. We will continue to hold recreational classes until July 31, which is the end of the current session. Unfortunately, we will not be holding recreational classes as of August 1, 2022. Accordingly, further tuition will not be charged for the recreational program and everyone's spot will be held until classes resume unless otherwise requested.

We will be using this time in August to relocate to a new location which will be disclosed once we have finalized a new lease. Until then, we appreciate your patience and understanding.

**NOTE THE FOLLOWING CHANGE: the common area may be closed effective July 15th:**

If this is the case, the entry and exit for the gym will be from our back door located down the driveway in between Ben Franklin and Henry Louis restaurant. We will have signage to point you in the right direction. All children will still need to "check-in" and parents will still need to physically come to this door for pick-up. If entry and exit will need to be through our back door, we will not be allowing spectators in the gym. The back door leads directly into our competitive balance beam room so we will need to minimize movement as much as possible for the safety of our athletes training.

We are optimistic that we can relocate in a reasonable amount of time and will continue to keep you posted throughout the transition.

Sincerely,  
Hawaiian Island Twisters Management
