IMPORTANT INFORMATION REGARDING HITS COMPETITIVE TEAMS: We would like to take this opportunity to provide you with brief details of our competitive Level 3 Team in an effort to assist you in deciding whether the team tryout is right for you, your family, and most importantly, your daughter. HITS Level 3 Team members are required to attend workouts 3 days per week (around 6 hours total/week). The cost of Level 3 tuition is \$260.00/month. Additional costs for competition include: team leotard, team warm-up, meet fees, and team assessment fees. Estimated total for these expenses is around \$1,500.00. These additional fees will be tracked and paid to the Girls Team Booster Club. Travel for meets is minimal; however, occasionally an outer island meet is scheduled. Finally, also managed by the Girls Booster Club, fundraising efforts and volunteer time from parents/guardians will also be requested. Thus, as you can gather, a great amount of commitment is required by the gymnast and the parents alike.

SELECTION OF STUDENTS TO TEAM: With only a limited number of spots available, and a huge pool of interested and talented children vying for a spot, HITS looks beyond natural talent and skill alone. Selection of girls to the Level 3 Team is dependent on a number of things. While skill achievement plays a large part in team selection, also considered are the level of commitment the gymnast shows, work ethic and the ability to self-motivate and be coached. Finally, the child's ability to adjust to the demands of the competitive schedule and sport also play a vital role in selection to the team.

We hope this information will help you to make an informed decision when considering the tryout for our Level 3 Team.
