

September 9, 2021

To all of our Hawaiian Island Twisters Families and Staff,

The City & County of Honolulu recently announced a new mandate called “Safe Access Oahu” ([click here to view](#)) effective September 13, 2021. To be in compliance with the new mandate, we have adapted the following requirements into our program policies also effective September 13, 2021:

**THE CITY & COUNTY OF HONOLULU REQUIRES ALL EMPLOYEES AND CUSTOMERS OF HAWAIIAN ISLAND TWISTERS TO HAVE PROOF OF COVID-19 VACCINATION TO ENTER.**

**PROOF OF VACCINATION:**

“Full vaccination” means 2 weeks have passed after the second dose in a two-dose COVID-19 vaccination series which has been authorized for emergency use or approved by the FDA. Or 2 weeks have passed after a single-dose COVID-19 vaccination which has been authorized for emergency use or approved by the FDA has been received.

What is acceptable proof of vaccination?

- A hard copy of a state-approved vaccination card; or
- a photograph/digital copy of a state-approved vaccination card.

\*If you submit your athlete’s vaccination card to [info@hawaiianislandtwisters.com](mailto:info@hawaiianislandtwisters.com), it will be on file and you are not required to continue to show this.

**EXEMPTIONS:**

- Children under 12 year old are exempt.
- Individuals remaining 15 minutes or less.
- Proof of negative FDA emergency use authorized (EUA) approved COVID-19 test;
  - weekly for employees;
  - Within 48 hours for members.
  - If using an approved home test kit, a picture will need to be taken of the test result;
    - The picture must have the following information written on the test card:
      - Name
      - Date/time
    - The picture must clearly show the result and control windows.
    - Test result pictures shown on a cell phone or other device will not be accepted...we need to be able to show documentation if audited.

➤ A negative test result must be a U.S. FDA emergency use authorized, or approved molecular test, or antigen test taken within 48 hours to the start of class. If your athlete attends classes multiple times in a week, this applies to each practice

We anticipate that we may need to adjust our check-in processes here and there and we appreciate your patience and cooperation while we work through this latest mandate. We appreciate your continued support of our program.

**\*We have updated our HITS COVID-19 Policy and Procedures effective September 13, 2021, please click on the link to view ([click here](#)). This update has our revised policy for those that are fully vaccinated and have tested positive and for those that are fully vaccinated and have been identified as a close contact.**

Sincerely,  
Hawaiian Island Twisters Management  
Erin Pakele, Gym Manager
